Description of area and comments

This is an edge adjustment for two reasons. The lands in the town of Friant meet none of the criteria for SRA and the boundary was placed on Friant road as a line of convenience. The lands have been developed into commercial and residential properties with more development to come. With the new identification of Federal lands in the area that were not previously identified in other SRA reviews many of the surrounding parcels in the Millerton Lake area will become FRA. This change follows parcel lines that will create a cleaner edge when the SRA review is complete.

If appropriate: Local Fire Jurisdiction
